

STATE OF MICHIGAN
COURT OF APPEALS

MARGARET FULLER,

UNPUBLISHED

Plaintiff-Appellant,

v

No. 186762

Livingston Circuit Court

MCPHERSON HOSPITAL,

LC No. 93 012911 CZ

Defendant-Appellee.

Before: Gribbs, P.J., and Cavanagh and Saad, JJ.

SAAD, J. (dissenting):

I respectfully dissent. Because plaintiff admitted at trial that (1) she was not aware that she was sexually harassed while she was employed, (2) she never complained to her employer about the alleged "after-discovered" sexually hostile work environment and (3) quit her employment for reasons other than alleged sexual harassment, I would affirm the trial court's entry of judgment in favor of defendant.
